To Share Your Blessings*

Volunteer for St. Thomas the Apostle Today!

*There are many volunteer opportunities
that offer minimal time commitment.*

*St. Thomas offers you these 3 tips to get you started on
a Volunteer ministry right now.*

Step #1: Be Not Afraid... Take The Leap of Faith

*Think about just what YOU are capable of and how you can
help St. Thomas in even small ways by volunteering today!*

Step #2: Just Make One Phone Call

*Ask us for more information and we will match you with a
ministry that fits your talents and your time commitment.
We are here to make this parish a home to all of our parishioners.*

Step #3 : Bring A Friend & Make It Fun

*All are welcome. Sometimes all it takes to bring a person back to
church and volunteering is an invitation. So extend one, to a
friend, family member, coworker or neighbor to join you.*
