

Celebrating St. Thomas the Apostle Parishioners

Do you have a favorite photo album that shows the important people & events in your life?

Or a yearbook filled with your classmates & school activities?

Soon you can have a similar book celebrating the life of our Parish Family at St. Thomas the Apostle!

YES! I would like to learn more about joining the committee and:

_____ publicizing our parish album project

_____ signing people up for portrait appointments

_____ greeting people at photography sessions

_____ contributing design ideas for our new album

Name:

Phone:

Email:

This fall, professional photographers will visit St. Thomas the Apostle Church & Chapel to photograph us for our very first Parish Family Album.

When you sit for your portrait you'll be able to choose your favorite pose to be included in our album. Once it's completed, you'll receive a complementary copy of the album & 8x10 print of your portrait.

(To see sample albums from other parishes, come and ask at the Rectory Office.)

Our first step toward a successful St. Thomas the Apostle Parish Family Album is to form a committee of parishioners who can do one or more of the following this fall:

- ◇ Publicity
- ◇ Scheduling portrait appointments
- ◇ Greeting our families at photography sessions
- ◇ Layout and design

To learn more about the requirements and benefits of getting involved, please pick up a form from the entrance of the church or chapel, or complete the information to the left and return it to the Rectory Office.
